

# ST. JOHN'S INJURY PREVENTION CENTER

# Driver Log

Use this tool to track the driving hours of your teen driver. To apply for an intermediate license, the teen must have received 40 hours of driving instruction. A minimum of 10 hours must have occurred during nighttime hours.

For more information on teen driving, please visit [www.stjohns.com/driving](http://www.stjohns.com/driving) or contact the Injury Prevention Center at 417-820-7233
